

Victim Information System in ORegon

Victim Information System in Oregon (VISOR) is a free and anonymous service designed to fit an individual's needs. Delivery methods for notifications of an individual in custody's status changes can be customized.

VISOR's website provides a one-stop location for accessing local, statewide, and national resources for victims.

VISOR offers near real-time notifications. It covers Oregon Department of Corrections, Oregon Youth Authority, County Jails, Community Corrections, and Board of Parole.

VISOR is CONFIDENTIAL. Personal information is protected by the Oregon Department of Corrections and will not be sold.
